**M E M O R A N D U M**

**TO:** Finance Officers, State Agencies  
**FROM:** Lisa Dunn, Director  
**DATE:** May 24, 2019  
**SUBJECT:** Closing FY2019 and Opening FY2020 Procedures

Each year we inform agencies about the constitutional and statutory provisions that affect the year-end closing functions of accounting records including MAGIC and SPAHRS. We also update agencies with the procedural requirements for closing FY2019 and opening FY2020. A list of the procedures is detailed in this memo by date. You should use this checklist as a tool during the old/new year transition period.

**BUDGETS**

The DFA Office of Budget and Fund Management (OBFM) issued a memorandum dated May 8, 2019 requiring state level budgets for BY2020 be entered in MAGIC no later than June 7, 2019. Agency level budgets for BY2020 can be entered in MAGIC either through direct entry or the spreadsheet upload as soon as the state level budget is approved.

For more MAGIC assistance, please review the [Budget](#) training material.

**PROCESSING SCHEDULE FOR YEAR-END**

MAGIC is available 24 hours a day unless notified via MASH. SPAHRS will be available from 8:00 a.m. to 8:00 p.m. on the following Saturdays: June 1, June 15, and June 23. The MMRS Call Center support is not available on weekends.

To allow for jobs that must be run to facilitate the year end close process and establish fiscal year 2020 data, MAGIC and SPAHRS will come down at **12:00 noon on June 28, 2019**. You will be notified when MAGIC and SPAHRS are available. There is a possibility the systems may not be available until **July 1, 2019**.

**BY2019 ADJUSTING JOURNAL ENTRIES (JE's)**

All BY2019 journal entry documents (JE's) (e.g., ZE, YV, ZK) must be processed on or before August 30, 2019. No BY2019 JE's will be processed after that date. To ensure that all BY2019 JE's are processed in MAGIC, those that require DFA approval must be approved by the agency by August 15, 2019 and include all required supporting documentation to ensure approval by DFA. For **all YV** entries, please ensure the [Correction Request Form](#) is attached.

## **BY2019 PURCHASE ORDER (PO) DEADLINES**

In accordance with section 7-7-23, Mississippi Code, Annotated 1972, **June 28, 2019** is the deadline for agencies **to enter and apply all approvals** to PO's for BY2019. MAGIC edits will prevent BY2019 PO's from being issued after June 30, 2019. Remember, MAGIC and SPAHRS will be unavailable beginning 12:00 p.m. on June 28, 2019.

Outstanding PO's at June 30, 2019 will be rolled into Fiscal Year (FY) 2020 but remain encumbered against BY2019. These PO's can be modified to add BY2020 line(s). On August 30, 2019, open BY2019 lines on the PO's will be closed.

For MAGIC assistance, please review the [Procurement](#) training materials.

## **CONTRACTS**

Contracts that have an end date of June 30, 2019 should have a PO issued prior to June 28, 2019 to enable lapse period payments. A PO may not be required based upon the general ledger code, but no payments can be made against a contract after the end date of the contract unless a PO exists. A PO cannot be created against a contract after the end date of the contract. The best business practice is to issue a PO for each contract as the contract is issued.

For MAGIC assistance, please review [Contracts](#) training materials.

## **RFx DOCUMENTS**

RFx Opening and Closing dates should not be between June 28, 2019 and July 1, 2019. This is due to system availability, and to ensure that conflicts are avoided due to year-end processing. If your agency has an RFx opening or closing during that timeframe, please modify those document dates.

## **FY/BY 2020 BUDGET CONTROLS**

Current Year Functional Area Budget Controls will be copied from 2019 to 2020. If an agency wants to change their Budget Control (i.e., turn on or off Z1 or Z3), a request must be emailed to [ofm.bfm@dfa.ms.gov](mailto:ofm.bfm@dfa.ms.gov).

If an agency has questions about the Functional Area Budget Controls, contact NeKeida McSwain at 601-359-2156.

## **BY19 AND BY20 CASH ACCOUNTS**

In MAGIC, the general ledger (GL) account for cash is the same for both budget years. Agencies will tell OFM how much cash to move forward from BY2019 to BY2020. Please complete and return the [Cash Move Form](#) for all your MAGIC special funds (3's, 5's, 63x's) by June 24, 2019.

To calculate the amount of cash to move forward, first determine how much cash is needed in BY2019 to cover outstanding purchase orders, outstanding invoices and expected BY2019 payments for travel, utilities, etc., during July and August. Then subtract this amount from the estimated net cash balance at June 28, 2019 to determine the cash amount that needs to be moved forward.

Since this is an estimate, you will be able to move cash during the lapse period by contacting OFM. Payments will not be issued if sufficient cash is not available in the proper budget year. Please carefully monitor your cash balances in both budget years during July and August. If you need cash moved, email Barbara Elliott (Barbara.Elliott@dfa.ms.gov), Princess Bender (Princess.Bender@dfa.ms.gov), and Lisa Dunn (Lisa.Dunn@dfa.ms.gov). **Please email all.**

For MAGIC assistance, please review the [General Ledger](#) training materials.

## PETTY CASH

Petty Cash funds must be reconciled as of June 28, 2019 and the final reimbursement for BY2019 must be submitted to OFM by July 22, 2019. The reimbursement must be requested by submitting a final petty cash reimbursement request on an invoice along with the [Form](#) Statement of Petty Cash/Imprest Fund Expenses.

Please also complete the [Petty Cash Reauthorization](#) form for your agency for each fund in which petty cash is set up and return to OFM by June 20, 2019. A copy of your agency's petty cash procedures should be attached to the form. This form should be completed for all petty cash accounts, whether held in bank accounts or cash boxes. Email the forms to **ofm.bfm@dfa.ms.gov**.

## TRAVEL ADVANCES

Advances for travel expenses issued in BY2019 must be settled by July 17, 2019. Any payments to employees, including salary, can be held by DFA if travel advances are not cleared by the end of the month following the month in which the trip was completed.

## TRAVEL

Travel completed before July 1, 2019 (BY2019) should **NOT** be combined on the same travel voucher summary with travel completed after July 1, 2019 (BY2020). SPAHRS will process travel based on the "travel to date." If this ending date is after July 1, 2019 travel will be expended against your BY2020 budget. If it is necessary to change these expenses to BY2019, you will need to follow the "Mass Change Before Posting" procedures in SPAHRS.

Please remember that you cannot process Travel Vouchers (TV's) for travel advances or reimbursement for employee travel in SPAHRS for BY2020 until July 1, 2019 or after. BY2020 travel processing dates will **not** be established in SPAHRS until **after** June 30, 2019. The last travel processing date in June is June 27, 2019 and will pay on July 1, 2019. The first travel processing date in BY2020 is July 2, 2019 and will pay on July 8, 2019.

## **LAPSE PERIOD WAIVER REQUESTS**

The deadline for all BY2019 waiver letter requests is **August 16, 2019**. Lapse Period Waiver instructions may be found in the [MAAPP Manual section 09.30.30](#). Submit all waiver requests to OFM, Attn: Barbara Elliott.

## **LAPSE PERIOD PROCESSING**

All transactions processed in July will be recorded in the first accounting period of the new fiscal year (01/2020), but can be recorded in either BY2019 or BY2020. Section 64, Constitution of the State of Mississippi, provides that appropriations may be held open for two months - through August 31, 2019. To be assured of adequate processing time, MAGIC invoices and MAGIC transfer transactions for BY2019 should be submitted to OFM through workflow by August 26, 2019.

## **RECEIVED DATE**

Received Date will be a required field on all BY 2019 documents during the lapse period. The date entered in this field should be the date the goods or services were received.

## **GOODS RECEIPTS**

Enter all Goods Receipts documents (WE's) by 12:00 p.m. on June 28, 2019 for any purchases received by that date. Doing so will reduce the year end accrual entries for GAAP.

## **CONTACT INFORMATION FORM**

Many times it is necessary for OFM to email agencies or to contact them in emergency situations. Therefore, please provide OFM with email addresses and phone numbers on the [Agency Contact Information Form](#) provided with this memo and return it to OFM by June 28, 2019.

## **EXPENDITURES/PERFORMANCE BY PROGRAM**

Expenditures by program and performance measures will be due to DFA and LBO on July 31, 2019. For MAGIC assistance, please review the [Allotment Period 2 – Performance Measure Statistical Key Figure Process](#) training material.

## **CLEANING UP ASSET SHELLS**

Review asset shells that have had no value added, and delete those that are not needed. Run the [Unposted Assets Report](#) using Transaction code S\_ALR\_87012056 to assist you in this process.

This report displays a fixed asset directory of unposted assets derived from asset shells that

have been created but have no associated value. It is important that all unused asset shells be removed no later than June 20, 2019.

All transactions for Post Capitalization of Assets and Asset Transfers must be entered by June 20, 2019.

## **PORTAL PROCESSING AND CHANGES FOR FY2019**

The MAGIC E058 table for FY 2019 will be rolled over to FY 2020 by July 1, 2019. If your agency has any changes to this table (e.g., new items to sell, licenses to issue, and changes in monetary amounts) contact Brandi King or Jim Hurst. All changes must be received by June 14, 2019 in order to be uploaded into MAGIC for FY 2020.

## **PARKED DOCUMENTS**

Many documents are currently in a parked status in MAGIC. Use the [Agency Month End Document](#) to help identify any “parked status documents.” If you no longer need to process the parked document, it should be deleted by your agency. If the parked document still needs to be processed, please ensure that you review and complete any adjustments by June 24, 2019. The document should be “saved as complete,” which will start the workflow process. All agency levels of approval should be applied, then the document will route to DFA/OFM for approval. Any documents submitted to DFA after June 24, 2019 will be deleted if not posted by June 28, 2019.

## **GRANTS AND INTERNAL ORDERS**

There are several master data elements that need to be reviewed for grants and internal orders to ensure processing continues through the lapse period and to ensure data integrity.

- Internal Orders – Check end dates, especially for Internal Orders related to the Grantor module
- Grant Internal Orders - Check grant number and add if missing
- Grants – Check end date – date must extend through the time warrants are generated

## **ACCOUNT VALIDATION & SPAHRS CROSSWALK**

The Account Validation (E398 table) was rolled from FY/BY 2019 to FY/BY 2020 on May 3. If you request changes to 2019 that need to be made for 2020, be sure to request changes for both years.

The SPAHRS Crosswalk BY2019 entries have been rolled to BY2020. If any changes need to be made to the BY2020 entries, send the updated SPAHRS Crosswalk spreadsheet to [ofm.bfm@dfa.ms.gov](mailto:ofm.bfm@dfa.ms.gov) no later than June 13, 2019.
